Mattapoisett Selectmen's Meeting

SEPTEMBER 29,1987-by VIRGINIA ARRAL

TWO NEW TOWN EMPLOYEES/
TOWN ACCOUNTANT AND BUILDING INSPECTOR

Two town offices were filled at last Tuesday's Selectmen's meeting when the Board voted to hire Karen Linhares of 34 Acushnet Road as Town Accountant and Andrew J. Bobola, 9 Brandt Beach Avenue as Building Inspector. They will replace Accountant Betty Sears and Inspector David Crook, both of whom have resigned to accept private employment.

Mr. Bobola, who is president of Bobola's Development Corp. and is a general contractor, will have his cousin run the construction company and, in order to avoid any conflict, will allow the assistant building inspector to inspect structures dealing with the Bobola company. Selectmen have been advised by Town Counsel that a building inspector with building interests in town presents no conflict of interest. Mr. Bobola will be paid an annual salary of $19,146. He will also serve as a non-voting member of the Soil Conservation Board, term extending from October 19, 1987 to April 30, 1988.

Mr. Bobola feels his combined 11 years of building trade knowledge

and fair and unprejudiced business dealings in Mattapoisett and surrounding towns, as well as with all local inspectors, would make him a good candiate for the inspector's position.

Miss Linhares, who was most recently employed at Shawmut Bank, working in Financial Control and assisting in setting up the Accounts Payable System, is a graduate of Southeastern Massachusetts University with a B.S. in Business Administration, with a Finance Major. She has also worked part-time as an accounting clerk for Frank J. Linhares Company, Inc. of Mattapoisett. Although the position had been advertised at $15,745 and received no applicants, Miss Linhares was given the higher salary of $17,362 because of her financial background. She will be given instruction in municipal accounting.

In other business, Selectmen:

MET WITH Librarian Dolores J. Tansey and the Library Board of Trustees to hear additional information about the Program SEAL (Southeastern Automated Libraries), an automation of the library with 11 other surrounding towns and cities, including New Bedford, Fall River, Dartmouth, Westport, Somerset, Swansea, Fairhaven, Acushnet, Marion, Carver and Wareham.

Mrs. Tansey explained there would be a one-time start up cost of $20,000 and an annual maintenance cost of $7,500. Selectman Frank M. Suzan asked if the annual cost would be an item that could be cut down the road if the town was strapped for funds. The librarian said "No", that it is a commitment and has to be voted as an on-going item in the library budget. She noted the library had been awarded a grant of $4,650 for a micro-computer.

Selectmen Chairman John N. DeCosta said, "We will place the $20,000 request in the warrant of the Special Town Meeting scheduled for sometime in early November, and the Board will support the article.

Mrs. Tansey stressed the automation is important to help the library grow and to keep abreast of what other towns are doing and to serve the clientele as well as other

CONDUCTED AN OPEN HEARING on the issue of a dog killing three animals within a four-year period. Fifteen residents of the Winter Hill Road and Maplewood section attended the hearing at which the 10-year old German Shepherd, named Max, owned by Carlos Coelho of 5 Winter Hill Road, was permanently banned from the town of Mattapoisett.

Selectmen unanimously voted to restrict the dog after determining the evidence was sufficient to warrant the action. Following sworn evidence by Mrs. Rosalie Nicolaci of 7 Maplewood Street that her 9-month old Shih-Tsu was killed by the Coelho dog and further evidence from her daughter Laurie Boling that two kittens were killed by the same German Shepherd dog. One killing occurred four years ago at which time the dog was ordered restrained and a more recent incident when a kitten was attacked while being held by Ms. Boling.

Mrs. Nicolaci explained Mr. Coelho tried verbally to get his dog but not physically. Mr. Coelho explained that he tried to free the small dog but realized there was nothing he could do. "My dog is very territorial", Coelho offered in explanation. He said the dog is presently staying with his sister in Rhode Island.

Present at the hearing were Dog Officers Linda and Joseph Caton and Police Officer Mary Lyons who gave

reports on what they witnessed at the scene of the dog killing. Mr. Caton said, "I don't think the dog should be free." A neighbor, Douglas McFall, explained he was walking his small dog on a leash when on two separate occasions was attacked by this German Shepherd. "I picked up my dog because of the dangerous situation."

In defense of the dog's actions, Earl Scott of 6 Winter Hill Road called the dog a "pussycat" and another neighbor said Max is really not the dog you are seeing here tonight.

VOTED TO GRANT Executive Secretary Carol J. Adams a five percent salary increase, retroactive to July 1, 1987. In reviewing Mrs. Adams' contract, it was found through an oversight she was not granted the increase at the same time as other town employees this year.

As Mr. Suzan is the son of Selectman Frank M. Suzan, Selectman Suzan excused himself from voting on the appointment. Mr. Suzan was appointed as a reserve officer on August 4, 1987 and has since taken and passed the Massachusetts Criminal Justice Training Council Exam at the Barnstable Police Academy on September 9, 1987. The salary for Mr. Suzan will come from the part-time officers' budget, and will not increase the total budget, Chief Moran explained.

Mr. Frates is a former resident of Mattapoisett and is currently employed by a security agency. Chief Moran said, "I think that Mr. Frates shows the enthusiasm and desire a young person should have to become a good police officer."

ANNOUNCED THE FOLLOWING police officers were elected at the annual Brotherhood meeting to represent the police union for this year: President, Officer Paul Silveira; Vice President, Joseph Faulkner; Secretary, Mary Lyons; and Treasurer, William Simpson.

K. Ennis that all but the "Nude Dancing By-Law" adopted at the annual town meeting have been approved by the Attorney General.

The Town Clerk informed Selectmen that Attorney General James M. Shannon indicated that the town must adopt another general law relating to nudity before the town can adopt the "Nude Dancing By-Law". She has prepared articles that can be inserted at either a special or annual town meeting if the Board cares to pursue the matter. She also noted the Attorney General expressed concern the Town might encounter constitution problems under the First Amendment. The Town Clerk referred to a 1984 case concerning Cabaret Enterprises, Inc. versus the Alcoholic Beverages Control Commission (ABCC). (As the town law now reads nude dancing is permitted in certain establishments.)

NOTED THE residents of Eldorado Drive request they be informed of any hearings and/or decision relative to the dispensation of funds received by the town as a result of the class action suit against Johns-Manville. (This concerns asbestos in homes and public buildings.)

Marion Selectmen's Meeting

SEPTEMBER 29, 1987-by EUNICE MANDUCA

Marion Selectmen voted to appoint Lincoln Miller as Special Officer on the recommendation of Chief Brian Scott.

They also voted to petition state authorities to permit Harbormaster, Assistant Harbormaster to wear arms while on duty. As they are already sworn in as special officers they are qualified. Compulsory training in safe use of weapons is mandated.

St. Gabriel's Church has requested reserved parking spaces for handicapped persons. The DPW and Chief Scott will advise on location. Selectmen Chairman John Hoagland suggested including other churches in town in the study.

Executive Secretary Ray Pickles presented the Selectmen with a 12 page report of the Private Roads Committee. The Board will study the report during the week and will take action. Robin Threlfal has submitted her resignation as a clerk in the Town House because of a family move.

be taken to correct the many serious lack of maintenance problems with the fire and police buildings. They stated that the number one priority is to re-roof the building and insulate before winter. Joe Cunning, Chairman, reminded Selectmen that the Fire Engineers have been requesting these repairs for at least ten years and the Board should cooperate with a group which does so much volunteer work for the town. Mr. Cunning stated that the Committee has spent so much time and energy to get the job done - not to add to the stack of reports already on file and forgotten. The Selectmen agreed to meet immediately with the Fire Engineers, Finance Committee and Planning Committee to start things rolling. The meeting will be scheduled for October 6th and will be a commitment for positive action and to complete the form for an article to be included in the Special Town Meeting possibly on November 23rd.

The Town Plant Assessment/Capital Planning Committee met with Selectmen to demand that immediate action

Olive Harris also reported for the Open Space/Land Bank Committee. She feels that the Committee is at the point where it needs professional advice and asked Selectmen to check with SRPEDD on available hours for assistance of a qualified planner.

Town Counsel Tom Crotty notified the Taber Hall Study Committee that it was not necessary to draft a lease at this time. He stated that a lease should be negotiated once a developer is chosen by the town, based on the project proposed by him. The committee has advertised for proposals. Closing date is November 2, 1987.

CONGREGATIONAL CHURCH

Saturday, October 24th, is the evening set for the Autumn Auction at the Mattapoisett Congregational Church Parish Hall. All residents and friends of Mattapoisett are welcome at this event beginning at 7:30 p.m.

Auctionable items include nice things from your neighbors' barn and garage, contributions from your favorite merchants and gifts and services from the congregation.

Examples include chair caning, restaurant gift certificates, home computer lessons, old skis, fresh baked apple pies when you want them. And these are just an early sampling of the list.

So, ask your friends for an early Saturday dinner and come by the auction for entertainment. Dessert and coffee will be available and we all plan to have fun.

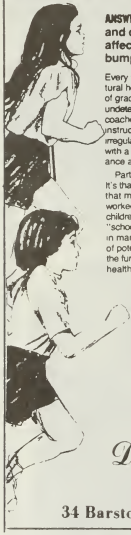
QUESTION:

WHY SHOULD CHILDREN HAVE CHIROPRACTIC SPINAL MANIPULATION?



ANSWER: Because growth and development can be affected by minor bumps, jars and falls.

Every year, thousands of structural health problems in students of grade and high school level go undetected even though teachers, coaches and physical education instructors watch for health irregularities which might interfere with a child's physical performance and learning ability.

Part of their jobs? Not really. It's that extra sense of dedication that makes these already overworked public servants give children that extra attention. The "school guardian" is responsible in many cases for the detection of potential health problems and the funneling of children to proper health authorities.

What most people don't know is that most health problems are far too complex for the teacher to note. And with a busy schedule, the educator can't be expected to have the time to screen problems that are beyond his or her scope of training, no matter how conscientious the teacher may be. The result: many children have health problems that retard their ability to learn or engage in sports effectively.

Here's what you can do:

- Parents should be urged to take more responsibility for their children's health.
- Parents and teachers should be alert to such things as changes in energy level, postural changes, moodiness, listlessness or any unusual signs that signal a problem that will impede learning. One of the observable signs is lack of interest in school activities.
- The structural balance of the child's body should be considered. The school teacher will no doubt note the child's posture, but that does not always indicate the structural integrity of the body. Comprehensive chiropractic examinations, including examinations of the spine, pelvis, neck and limbs should be recommended to avoid developmental problems.
- Incorporate posture awareness programs into your class projects. Write for suggestions and materials.

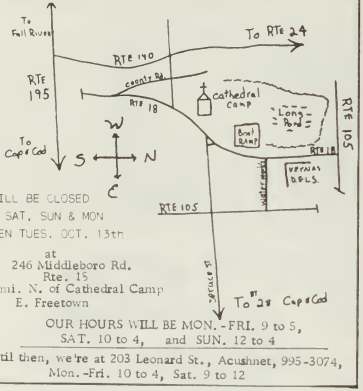
Columbus Day Weekend



Letter to Editor

The scheduled visit by the Crown Prince and Princess to Fairhaven over the October 3 weekend triggered my recollection of a notation in the late Mrs. Charles S. Hamlin's chronicles of Mattapoisett about a ceremony in the summer of 1918 at which mementoes were presented to the Millicent Library regarding the event that prompted the latest royal gesture.

Mrs. Hamlin was a summer resident on Ned's Point Road, Mattapoisett for approximately 60 years. Her late husband was the first President of the Federal Reserve Board and had many acquaintances in Washington including the Diplomatic Corps. They entertained a number of Japanese citizens in Mattapoisett during the pre-World War II period.

Thumbing through Mrs. Hamlin's chronicles I found the notation I recalled.

She wrote that she was unable to join her husband in witnessing the christening by her daughter Anna of a destroyer at the Fore River Shipyard in Quincy over the July 4 period in 1918 because "the carefully planned visit of the Japanese Ambassador and Viscountess Ishii with one secretary and one secret service man from the State Department would be just at the same time. They would be our guests (on Ned's Point Road) from the evening of July 2 to the afternoon of July 5 for the celebration in Fairhaven in honour of the presentation of a Samurai sword by the descendants of the Japanese (Manjiro) Nakahama. He was one of several boys rescued in the China seas by Captain Whitfield on the (New Bedford) whaling ship "John Howland", owned by Captain Warren Delano on July 27, 1841. One boy - Manjiro Nakahama - was brought to Fairhaven

and educated there while living with the Whitfield family.

"It (the event in 1918 in Fairhaven) was a memorable occasion with a Japanese flag flying from our flagpole (on Ned's Point Road) and one at the Mattapoisett Town Hall, too.

"In 1919 the Ambassador sent me a gold Saki cup from the Emperor as a souvenir of this occasion. This may also be seen (with the Samurai sword) at the Fairhaven Library. Charlie (Mr. Hamlin) brought up (from Washington) from the Ambassador several orders (ornate sashes or medallions) for the three (Mattapoisett) Selectmen, the Sacred Treasure (title of the order) and for Mayor (Charles S.)Ashley of New Bedford, the Order of the Rising Sun. Charlie and I delivered them."

Mrs. Hamlin also noted that for days afterward she saw one or the other Selectmen wearing his order around town.

Her chronicles are available for reading at the Mattapoisett Library.

Recapture of an Era

DCJ

The beautifully restored Zeiterion Theatre reverberated with the crisp power of the big band era on Saturday evening. In a very special production to begin its 26th season, the Tri-County Symphonic Band, led by John Pandolfi who has directed and led the organization from its beginning, played the great music of Broadway and recreated the big band hits of the 40s. To those present, who were fortunate enough to have heard many of the swing bands of that era, it was a trip back to youth. The band captured the unforgettable tempo and sound, the intricate weaving of solos with basic melody. Best of all, it was with the presence, power and clarity that only a live aggregation can

DID YOU KNOW?

That many big discounters and small retailers mark-up an item 25% to 75% more than the original mark-up in order to put the item on sale at 25% to 75% off? If this pricing structure is practiced, is the store really honest with the customer? Is the diamond really the clarity grade the merchant says it is?

It is not only unethical and deceptive that these practices are followed in order to sell merchandise, many of these retailers are unfamiliar with the products and cannot provide you with the service you need.

Can they:

1. *Repair your watch?*
2. *Test your stone to determine whether it is real or synthetic?*
3. *Engrave on premises?*
4. *Repair your jewelry on premises?*

No. Many of these retailers cannot provide these services, and are simply concerned with your dollar.

on stage. For the swing segment of the program, Gary Thomas led the band and John Pandolfi sat in with the musicians. I was fortunate to hear many of the big bands as they toured and the memory lives fresh and, believe me, the Symphonic Swing Band is very, very good. They played Moonlight Serenade, Little Brown Jug, In the Mood and Tuxedo Junction as Glenn Miller would have been pleased to hear. To close one's eyes was to imagine the Miller band pulsing with every vibration, fresh and soaring with the melody. It was super illusion.

The program led off with Broadway medleys from the great musicals of which most come from the post war era. Narrator Philip Paleologos set the scene in a most entertaining manner projecting his voice to unfold the glamour of these great show stoppers. A series of Cole Porter tunes opened this program which involved the full band under the baton of John Pandolfi. It is to envy Mr. Pandolfi to imagine controlling this powerful instrument that is the Symphonic Band. From whisper to thunder, this group has the power to thrill. It also has the power to transport. In the King and I medley you travel by music to Siam and behold, by sound alone,

the glamour of that exotic court. "Man of La Mancha" evokes the Spain of Don Quixote and the courage and character of his story. I had never heard the music from Evita before, so it was completely new. Yet, it was possible by the rhythm and the grand sweep of melody to pick up the impression of the pampas and mountains. This is music's ability to set the scene, to transport the mind. "West Side Story" does it so deftly. You soar with the sweep of the city and take its pulse. Then, in stages, you advance to love, excitement, hope and menace, all on the beat and sweep of the sound of instruments playing as one. If you can't call this mental magic what do you call it? Music has power over the mind and the effect is felt and retained.

The Tri-County Symphonic Band is a community treasure and has built its reputation over these 25 years. Every time you experience its presence you say to yourself, "This is the best I've heard it played." Honestly, Saturday night was the highest point in 25 years. It brought the entire audience to its feet. It was thrill, time machine and a great experience.

Book Sale

Friends Academy announces its fifth annual Book Fair which will be held during school hours Friday, October 9th, and Tuesday and Wednesday, October 13th and 14th, at the school, 1088 Tucker Road in North Dartmouth. Part of the proceeds benefit the Dorothy Plumb Library, according to Co-chairperson Pat Christiansen.

A popular event for young and old alike, the fair will offer some 1,500 new releases as well as classics for area shoppers, from Gary Larson to Dr. Zeuss, and from the latest cookbook to fine art volumes, in paperback and hardcover.

Deanna Peckham, the other co-chairperon, reports, "Last year we sold about 3,000 books and for more than one good cause; more people read and the library received almost $2,400. We hope everyone will come."

Institute of Human Development on Monday, October 19th, at 7:30 at the school, 1088 Tucker Road, North Dartmouth. The topic will be Cycles of Development in Children, ages 2 to 16 years.

The lecturer will explore these stages, recognizing that children's development is "both very observable and very predictable. Some produce rather calm and satisfactory behavior. Others are very turbulent, and create behavior that is disturbing and puzzling to even the most understanding of parents and teachers". The mother of three children "who has gone through all the stages", the lecturer was formerly assistant director of the N.H. Women's Center's Battered Women's Project is presenting "Holding Patterns", a dynamic play about family violence on Saturday, October 17th. It will be at Carney Academy in New Bedford at 8:00 p.m. The production will feature the Performers' Ensemble of Boston. Co-sponsors of this event include: Bristol County NOW, YWCA, Latino Coalition, Our Lady of Assumption Church, National Council of Jewish Women, New Bedford Council for Children. Tickets are $5.00 for the general public and $3.00 for seniors and students, and may be purchased at the door.

Domestic Violence Awareness Month is a campaign to recognize, support and educate the victims, and the public about violence in the home. According to the FBI, a woman is beaten every 18 seconds and in Massachusetts a woman is murdered every 22 days by her partner. Locally, the Battered Women's Project provides resources such as a 24 hour hotline, temporary confidential shelter, counseling, legal and medical advocacy, information and referral. In 1987, the Battered Women's Project sheltered more than 155 women and children and received over 2,300 hotline calls.

For further information call Jennifer Morris or Dorothy Berrios at 992-4222.

II on the Plymouth waterfront at 7:00 p.m. Light refreshments will be served.

Meet ship's rigger Captain Will Gates and museum shipwright Bill Crampton and learn the differences between Mayflower's historic 1620 crossing and the famous voyage of Mayflower II in 1957. Other museum experts will share insights into sailing and shipboard life during the time of the Pilgrim's famous 1620 crossing. Speakers include early navigational historian Michael Weaver and a 17th-century ship's master, Master Christopher Jones of the Mayflower, portrayed by former U.S. Navy Commander Theodore A. Curtin of Plymouth.

Participants will be able to examine original and reproduction instruments from the museum collection -- the great lead, chip log, cross-staff, back-staff, octant (forerunner of the modern sextant), traverse board and Gunter's sector. If sky conditions permit, guests may try their hand at determining the ship's position by starsight. Space is limited and reservations are required. The fee is $30; $25. for museum members. For information or to register call the Education Department at 746-1622.

Coastline Elderly Services

TO HOLD PUBLIC HEARING

A public hearing will be held on Friday, October 9th, at 9:00 a.m. at the Dartmouth Council on Aging, 628 Dartmouth Street, South Dartmouth to review the goals and objectives outlined by Coastline Elderly Services, Inc. in its Area Plan.

"We want to have input from the community at large at this hearing," said Charles Sisson, Coastline's Executive Director. "We hope to have a wide representation of senior citizens and senior advocates present."

Mr. Sisson noted that while the elderly oppulation has been rapidly expanding, funding for elderly programs and services has been shrinking. This poses new problems and challenges to delineate priorities in the areas of In-Home Services, Community Services, and Access to Services to senior citizens.

Coastline is responsible for the administration of programs and services in Acushnet, Dartmouth, Fairhaven, Gosnold, Marion, Mattapoisett, New Bedford, and Rochester. Coastline is funded by the Executive Office of Elder Affairs and Title III of the Older Americans Act, with other agency projects and programs supported by various federal and state money.

Coastline programs include Home Care, Nursing Ombudsman, Protective Services, Volunteer, Foster Grandparents and Nutrition.

Copies of Coastline's goals and objectives will be available for review and comment during the Public Hearing.

CIVIL ACTION
NO. CA87-1500

To JAMES A. SANTOS, of Mattapoisett, in the County of Plymouth, and to all persons entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended.

FAIRHAVEN SAVINGS BANK, a banking corporation, duly organized under the laws of the Commonwealth of Massachusetts, having a usual place of business in Fairhaven, in the County of Bristol, claiming to be the holder of a mortgage covering real property situated in Mattapoisett in said County of Plymouth on northerly side of Oliver's Lane and numbered 12, given by James A. Santos to Fairhaven Savings Bank dated January 20, 1976 and recorded with Plymouth County Deeds, Book 4131 Page 684, has filed with said court a complaint for authority to foreclose said mortgage in the following manner, to wit: by entry and possession and by the exercise of a power of sale contained in said mortgage.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 and amendments thereto and you object to the foreclosure of said mortgage, you or your attorney should file a written appearance and answer in said court at Plymouth on or before NOVEMBER 16, 1987, or you may be forever barred from claiming that such foreclosure made under such authority is invalid under said act.

Witness, THOMAS R. MORSE, JR., Chief Justice of our Superior Court, the 22nd day of September, in the year of our Lord one thousand nine hundred and eighty-seven.

Dr. Ruth to Speak at S.M.U.

Dr. Ruth Westheimer, TV and radio's popular psychosexual therapist, will air her views on "Sexual Literacy" and answer audience questions at Southeastern Massachusetts University at 8 p.m. October 19th in the Tripp Athletic Center.

Born in Germany in 1928, Westheimer spent the war years in a Swiss school which, she writes, "became an orphanage for most of the students sent there". At 16 she went to Israel and became a member of the Haganah fighting for Israel's independence. She then moved to Paris, studied psychology at the Sorbonne and taught kindergarten. She emigrated to the U.S. in 1956.

Dr. Ruth earned a master's degree in sociology from the New School for Social Research and a doctor of education degree in the interdisciplinary study of the family from Columbia University.

After a stint with Planned Parenthood, she decided to increase

John Lennon Tribute

TO BENEFIT WORLD PEACE

The 4th annual John Lennon Tribute will be held Sunday, October 11th, from 8 p.m. to midnight at the Black Spring Center for the Performing Arts (formerly the Bijou Theatre) in Fairhaven.

New Bedford area musicians, peace lovers, Beatle fans, and friends will gather for the 4th year to celebrate the life and work of John Lennon to raise funds and promote world peace.

Last year over thirty area musicians entertained an audience of 300 at Billy Wood's Wharf in New Bedford.

In 1984 it began as a party with Peter Grace and friends at the Village Barn in Acushnet on the anniversary of John's death.

Yoko Ono, after the second year, requested that we celebrate his life and work, and last year's tribute was changed to celebrate John's birthday.

This year organizers plan a fun

for all ages...concert style...party mood...family atmosphere...dancing and singing in the aisles...celebration.

Expect the line between audience and performer to disappear later in the night as guests and artists come together in a jam finale.

The event has captured the interest of local businesses and professionals who are donating their services.

Area radio stations, including WHJY, will be promoting this year's tribute and giving away tickets.

Tickets will be available at Good Vibrations, Chic's House of Drums and Boz's Music.

Ms. Whitman is the author of six books of poetry and two books of translation from Yiddish poetry. Her most recent book is The Testing of Hanna Senesh, published in 1986. Currently lecturer in poetry at Radcliffe College, she has been the recipient of a senior Fullbright writer-in-residence fellowship to Hebrew University in Jerusalem. Her awards include grants from the Rhode Island State Council on the Arts, the National Endowment for the Arts, and the Martin Tananbaum Foundation. She has read widely in the United States, England, Israel, and Egypt, and has been writer-in-residence at many universities and colleges.

at the Ann & Hope Store, North Dartmouth in the spacious room at the right of the entrance foyer.

Scheduled to open at 9:30 a.m. on Friday, October 16th, this will be a 2-day event, ending Saturday the 17th at 9:30 p.m. It is the sixth such fund-raising sale in the popular series initiated to benefit the Dartmouth Public Library system. Proceeds are earmarked by the volunteer Friends for special projects, for cultural presentations offered free to the area public at library facilities, and for materials and equipment not funded by town appropriations. The most recent purchase of equipment to be made available for library use was a set of 12 sturdy 6-foot tables at a cost of $600.

To enable shoppers browsing the book sale to locate favorite books easily, all books will be classified and set out in display boxes clearly marked. This customer convenience has been made possible by careful inspection and sorting by Volunteer Roberta Sawyer and helpers. Only clean books in good usable condition are entered in the sale. Bargain prices will prevail, the majority of books being priced at 25 or 50 cents; and there will be thousands.

Generous townspeople have already donated scores of good, useful books to the Friends for this sale, but

NATURAL HISTORY OF SLOCUM RIVER

Rich in life, the estuary is home to many marine organisms and a nursery ground for others. Join Lloyd Center Instructor Steve Theberge as he investigates the natural history of the Slocum River, on Sunday, October 11th, at 1:30 p.m. The Fall is an ideal time for seining and trapping organisms because many tropical species which have been carried by the Gulf Stream may end up in our estuary systems. Estuaries are one of the most productive ocean habitats, but unfortunately also one of the most polluted by run-off, sewer systems, and chemical dumping. If you want to learn more about one our most valuable resources in our Weekly Walk program, Life in the Estuary, call the Lloyd Center at 990-0505 for registration. The

Paul Winter Consort

The Lloyd Center for Environmental Studies welcomes its members and friends to a very special evening with the Paul Winter Consort at the Zeiterion Theatre Saturday, November 28th, at 8:00 p.m. After the concert a private reception with Mr. Winter will be held in the theatre's lobby. Tickets for the evening can be purchased by calling the Lloyd Center at 990-0505.

For nearly twenty years Paul Winter has traveled around the world observing, listening to and occasionally playing his soprano saxophone to sea mammals, wolves, eagles and other creatures of nature. Mr. Winter, with his "Consort", then combines these sounds with Brazilian and African rhythms in original compositions. The result is an intriguing, and often-times haunting, blending of the sounds of nature with the melodies produced by "...some of the finest musicians in the world..." (Paul Winter/Callings liner notes).

A limited number of tickets for the performance and private reception are available for $20. while performance tickets only may be purchased for $15. Tickets may be ordered by calling the Lloyd Center for Environmental Studies at 990-0505.

dents with a new and expanded emergency facility as well as other improved resources. The groundbreaking for the project is slated for March 1988, with an anticipated date for completion of December 1989. The undertaking is the first major renovation of the hospital in 15 years.

According to hospital president, Charles S. Kinney, "The current emergency room was designed to treat 10-12,000 patients annually and now sees 22,000 patients each year. The expansion will double the size of the existing emergency and radiology facilities."

The hospital's very success has placed a strain on certain departments: new equipment does not fit into existing space, overcrowding results from increased numbers of patients and staff, the current layout of the emergency room is functionally poor. The emergency room is located next to the receiving dock, resulting in congestion and inconvenience to patients and staff.

Located at the convergence of several major highways, the hospital has become a primary resource for accident trauma. Tobey's emergency room is the only one in southeastern Massachusetts staffed by physicians who are all board-certified and specialty-trained in emergency medicine and nurses who have specialized emergency training. Age and design of the emergency room, however, seriously impair its effectiveness.

The new emergency room will provide 2 trauma rooms, 2 critical care rooms, several private treatment rooms, and rooms for treating ear, eye, nose, and throat problems. The radiology department, designed to handle only 2/3 of the exams the hospital does today, will

be renovated adding three radiology suites, including an angiography room, and a fluoroscopy suite. A nuclear computer and new gamma camera will be purchased to provide cardiac studies not previously available at Tobey. In the new wing, the waiting areas and entrances for emergency services will be separate from other outpatient services.

Other renovations the project calls for will expand the capacity of the Day Surgery Unit by 50%, add a 4-bed step-down unit for intermediate care in the Intensive Care Unit, transform the original inpatient floor, Main II, into a geriatric care unit, and provide additional space and equipment for the laboratory.

Hospital Chairman Paul Morse said, "The 14,000 square foot addition and major renovation plans are vital to the hospital's future. Two thirds of all surgery performed at Tobey is day or outpatient surgery and more than half of the hospital's admissions come through the emergency room. The area's elderly population represents over 13% of admissions to Tobey and this number is expected to increase. The areas being enlarged and improved will accommodate these growing numbers of patients."

Tobey has embarked on a capital fund drive, named for the hospital's

approaching 50th anniversary, to help finance the project. Edwin H.B. Pratt, Jr., President of Tobey Health Systems Trustees, praised the hospital's employees, physicians, and trustees who have, in the early phase of the drive, pledged just under $1M of the $4.8M needed. "The hospital", said Mr. Pratt, "will call upon the energy, enthusiasm, and financial resources of everyone in the communities it serves. The entire community including residents, businesses, organizations, and foundations will be asked to support the project."

Hospital officials are available on request to speak to groups to share the plans for the project. For further information please call the Public Relations Office at 295-0880, extension 205.

100% UV Protection

P-15

POLARIZED

SUNGLASSES BY
BAUSCH & LOMB

Now, Bausch & Lomb quality and style with high-performance polarized protection.

Designed specifically for fishing and other high-glare sports, Bausch & Lomb P-15 Polarized sunglasses filter out both reflected and direct glare—conditions that can impair vision and cause eyestrain.

These sunglasses also provide 100% protection from harmful ultraviolet rays, making them an ideal choice for all types of outdoor activity.

The large, goggle-shaped lenses are mounted in contoured, close-fitting frames to provide excellent peripheral vision and protection from side glare. They're perfect for anyone who spends long hours exposed to intense direct and reflected glare.

P-15 Polarized sunglasses feature:

- Polarized lenses which filter reflected glare from water and other surfaces
- 100% protection from ultraviolet rays
- Optical-quality CR-39 plastic lenses
- True color transmission
- Excellent peripheral vision and protection from side glare
- Lightweight for day-long wearing comfort
- Super-rugged nylon frames, highly polished and free of burrs or rough mold marks
